## WELCOME TO A WORLD APART

Las Colinas Golf & Country Club is an exclusive residential community, with low density housing, structured around an 18-hole championship golf course.

It enjoys a prestigious international reputation for the design of its homes, the high quality standards of its services and facilities, conservation of the natural surroundings and the excellence of its golf club, which is ranked in the top 100 courses in continental Europe, according to the British magazine Golf World and won the accolade "Spain's Best Golf Course" in the World Golf Awards in 2015, 2016 and 2017. In the World Travel Awards, the resort has also been named "World's Leading Golf and Villa Resort" in 2018, "Europe's Leading Villa Resort" in 2019, as well as "Spain's Leading Villa Resort" in 2015, 2016, 2017, and 2019.

Las Colinas Golf & Country Club stands out for its privacy, natural beauty, exceptional climate, superb communications by air, rail and road, and its environmentally friendly approach. All infrastructures, homes, the golf course and other facilities are carefully integrated into the natural surroundings.

Las Colinas Golf & Country Club bets on long-term, high quality residential development. In pursuit of this goal, out of the nearly 6,000 properties permitted originally by the Local Planning Schedule, only 1,700 will be built, under 5.2 per hectare.

## A WORLD APART FOR EXPERIENCING NATURE

- Maximum privacy and security: Las Colinas Golf & Country Club spreads across 330 hectares in a valley surrounded by hills that form a natural barrier, guaranteeing the privacy of the development and residential community. It has a single access road with a 24h security service.
- Unique sense of arrival: Provided by a single entrance to Las Colinas through a canyon that opens out into a hidden valley along which the golf course runs. The canyon is the feature that preserves the intimacy, tranquillity and natural beauty of Las Colinas.
- Las Colinas Golf & Country Club is surrounded by a Nature Reserve comprising more than 10,000 hectares of protected land, which restricts any further residential development.
- Mediterranean vegetation: More than 200,000 sq metres of natural space within the development. Mediterranean vegetation has been preserved with trees and indigenous species used in gardens and landscaping throughout the complex.
- A binding Environmental Protection Measures Plan: This includes a rigorous Sustainable Development and Environmental Protection Plan drawn up by Valencia Polytechnic University. Among other measures, this plan stipulates low levels of noise and light pollution, as well as the use of wooded areas and native plant species in the landscape gardening for the residential community, common and private areas.

## A WORLD APART FOR PLAYING GOLF

### The Golf Course

The 18-hole championship golf course, par 71 with par 3, par 4 and par 5 fairways, runs through a hill-lined valley which adapts to the lie of the land and blends seamlessly into the landscape.

The width of its fairways, the design of its extensive undulating greens and the numerous tees at each hole give the course great versatility. It is suitable for professional competitions while also offering any player, regardless of his or her level, a pleasant, enjoyable and affordable game.

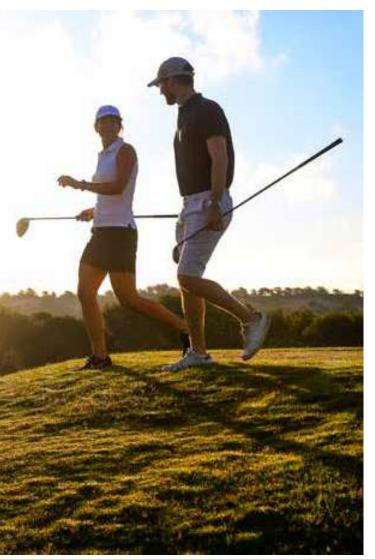

Designed by the prestigious North American architect Cabell B. Robinson, member of the American Society of Golf Course Architects (ASGCA), the golf course of Las Colinas is a faithful reflection of the originality and versatility that characterises his work, which includes internationally renowned courses such as La Reserva, in Sotogrande; Finca Cortesín, on the Costa del Sol; Praia d'El Rey, in Portugal; and the Royal Golf d'Evian, in France.

Las Colinas Golf & Country Club has one clear goal: to offer the best services and amenities so that every single guest enjoys a unique experience. To this end, it has selected Troon Golf, the world leader in upscale golf course management, to manage the golf course. Focusing exclusively on luxury golf properties and developments, Troon Golf is present in 33 countries and manages over 500 courses worldwide, complying with strict quality controls that guarantee excellence at each one.

Abu Dhabi Golf Club (UAE), Lofoten Links (Norway), Kapalua (Hawaii), The Grove (England) and Troon North Golf Club (Arizona), are just a few examples of the portfolio of top-level courses managed by Troon Golf. 80 of the company's courses are ranked in the Top 100 courses in the world.

### Las Colinas Short Game Facility designed by Miguel Ángel Jiménez

"Las Colinas Short Game Facility designed by Miguel Ángel Jiménez", created by the 21 times winner of the European Tour, Miguel Ángel Jiménez, is located just over 100 metres from the practice ground. These facilities enable golfers of all levels to improve their short game. It covers an area of 5,000 square metres and offers extensive game areas, including an immaculate 680 sqm green. It also has two bunkers so that golfers can practise their short game repertoire from 65 metres.

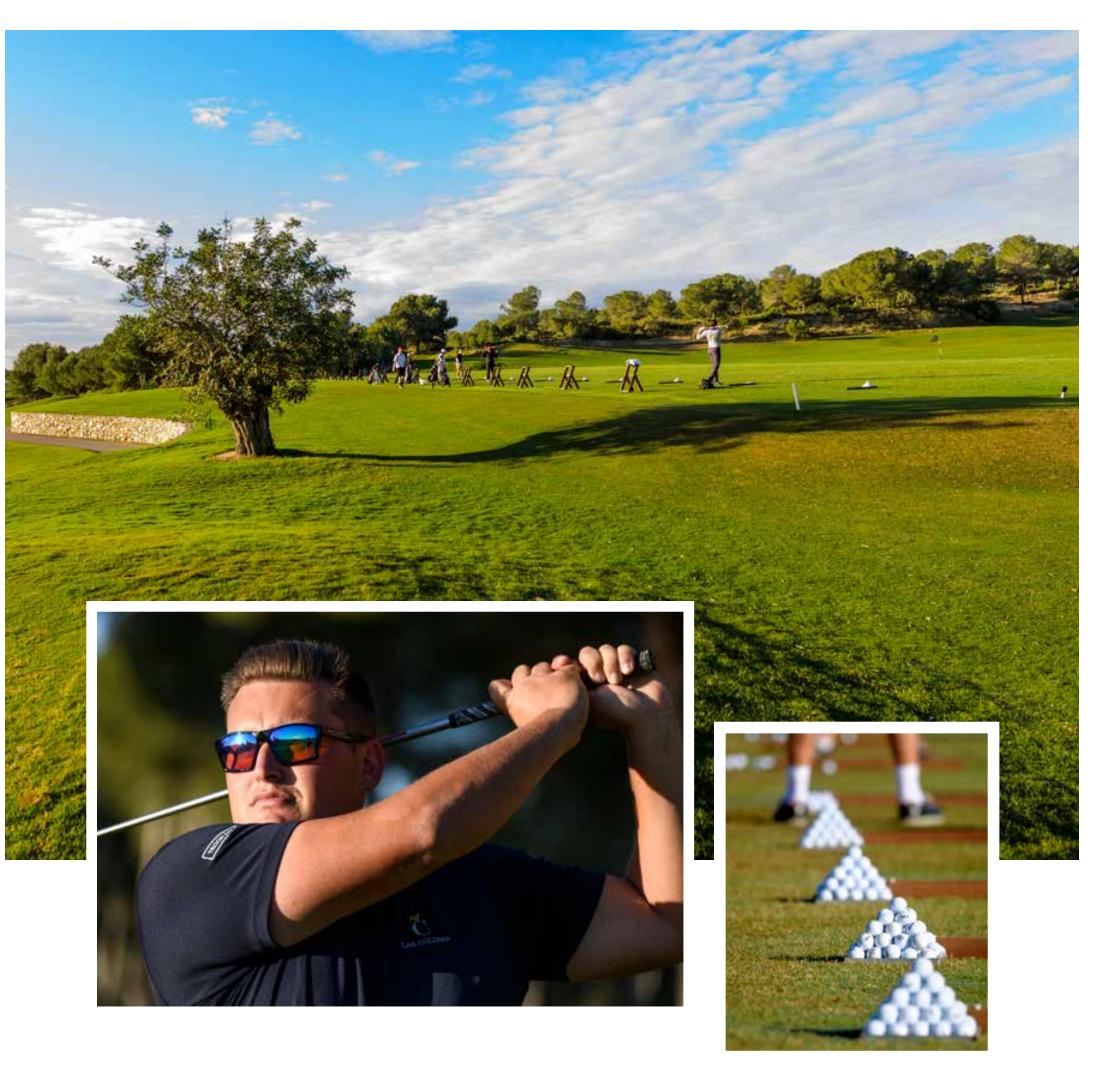

### Academy

The Golf Academy at Las Colinas offers one of the finest learning experiences to be found. Our practice facilities include a natural grass hitting area, a large putting green, a short game area where you can practice a variety of different shots.

Under the guidance of top-level professionals, the Academy provides high-quality golf instruction. For beginners to high-level players, the Golf Academy has a full range of golf training tools to assist players of all abilities, including Trackman technology and high-speed video.

## A WORLD APART FOR PLEASURE

### Las Colinas Sports & Health Club

Las Colinas Golf & Country Club is a new space for health, sports and wellness lovers: Las Colinas Sports & Health Club.

Located near the Clubhouse, Las Colinas Sports & Health Club has a gym equipped with everything you need to complete a full day's training, a swimming pool where you can bask in the sun and Mediterranean climate and a wellness dedicated to relaxing mind and body, offering massage and beauty treatments, as well as a physiotherapy service.

This complex includes a Racquet Club, which is situated very close to the main entrance of the resort and only minutes away from the Clubhouse. It is the ideal place to enjoy sports like tennis, paddle tennis, football or basketball. It also has a 24 h gym so that you train or work out at any time of day.

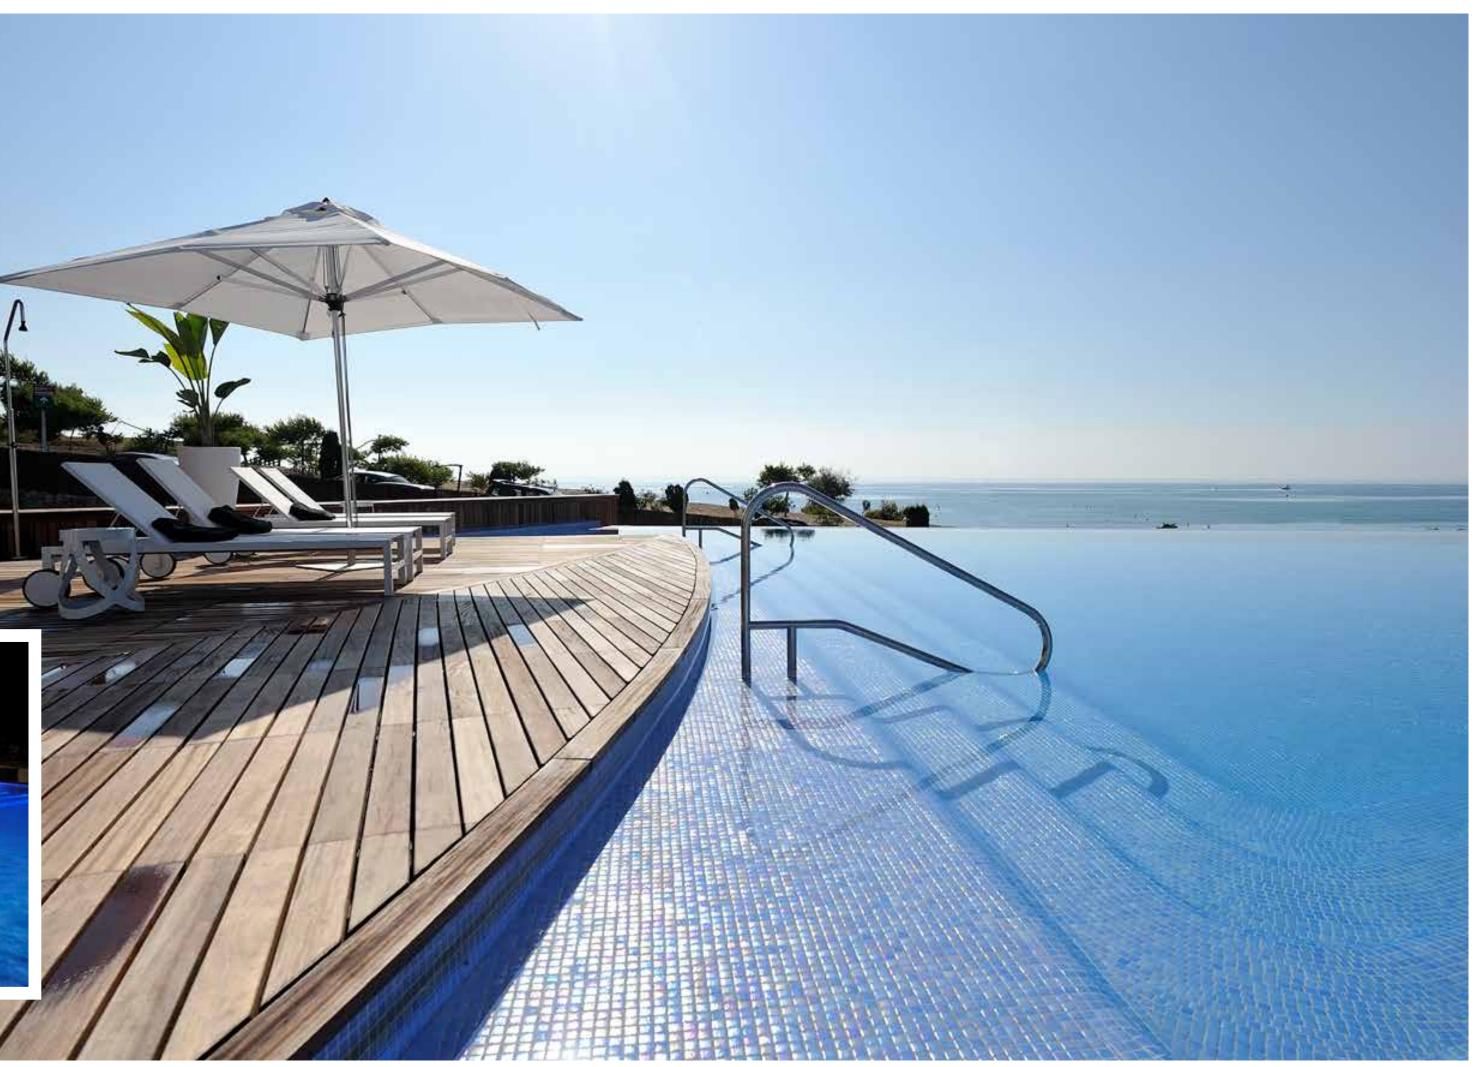

### Las Colinas Beach Club

Just a few minutes away from Las Colinas Golf & Country Club, on the seafront at La Glea beach in Campoamor, there is a private hideaway overlooking the sea: Las Colinas Beach Club.

It is, without doubt, the perfect place to escape from everything and enjoy the sun, sand and sea; either reclining on a sunbed beside the infinity pool or sampling the cuisine at the restaurant surrounded by magnificent palm trees while taking in the spectacular views out over the Mediterranean.

Las Colinas Beach Club also has changing rooms and a private car park.

#### Restaurants

Las Colinas Golf & Country Club offers an inviting range of restaurant and leisure options. These amenities are concentrated around the Clubhouse, a large Mediterranean-style building (1,500 sq. metres), only a few steps away from tees 1 and 10, greens 9 and 18 and the practice facilities, with magnificent views over the lake at hole 18.

In this privileged location, guests can choose between:

#### il Palco Italian restaurant:

il Palco serves a menu based on the essence of traditional Italian cuisine.

The celebrated Italian chef and gastronomic advisor, Fabio Morisi, has carefully designed the menu to bring creative and authentic recipes to the table.

The decoration at the restaurant has been designed by Pepe Leal, one of the leading Spanish interior designers, whose outstanding work is recognised at a national and international level.

#### UNiK CAFÉ:

Its simple cuisine, based on top quality ingredients, reinvents classic dishes by adding a touch of balanced creativity.

The restaurant offers an extensive cafeteria-restaurant menu including Mediterranean tapas, a selection of salads, sandwiches and hamburgers and select rice, pasta, fish and meat dishes.

#### enso sushibar:

This restaurant offers its customers the elegance, harmony and simplicity that characterises Japanese cuisine, in the hands of experienced chefs who lavish attention on every detail of the dishes they serve.

A culinary experience that observes the rules of Japanese cuisine and is meticulous about the product served; ensuring it is nutritious, rich in vitamins and trace elements, low in calories and fat content, free of unnecessary complication but always prepared with the finest quality ingredients.

### Experiences

Las Colinas Golf & Country Club has selected a stimulating range of unique experiences for all members of the family to enjoy.

During your stay you can choose from the activities offered by specialised companies with which Las Colinas Golf & Country Club has agreed special rates for home owners at the resort.

Enjoy an unforgettable day sailing in a luxury yacht, experience the thrill of being a pilot for a day, take a hot air balloon ride over the wonderful landscapes of Alicante and Murcia, discover the secrets and bouquets of wine, enjoy the culture of cities like Cartagena on a personalised tour or take a diving course and explore a marine reserve, these are just some of the activities you can experience.

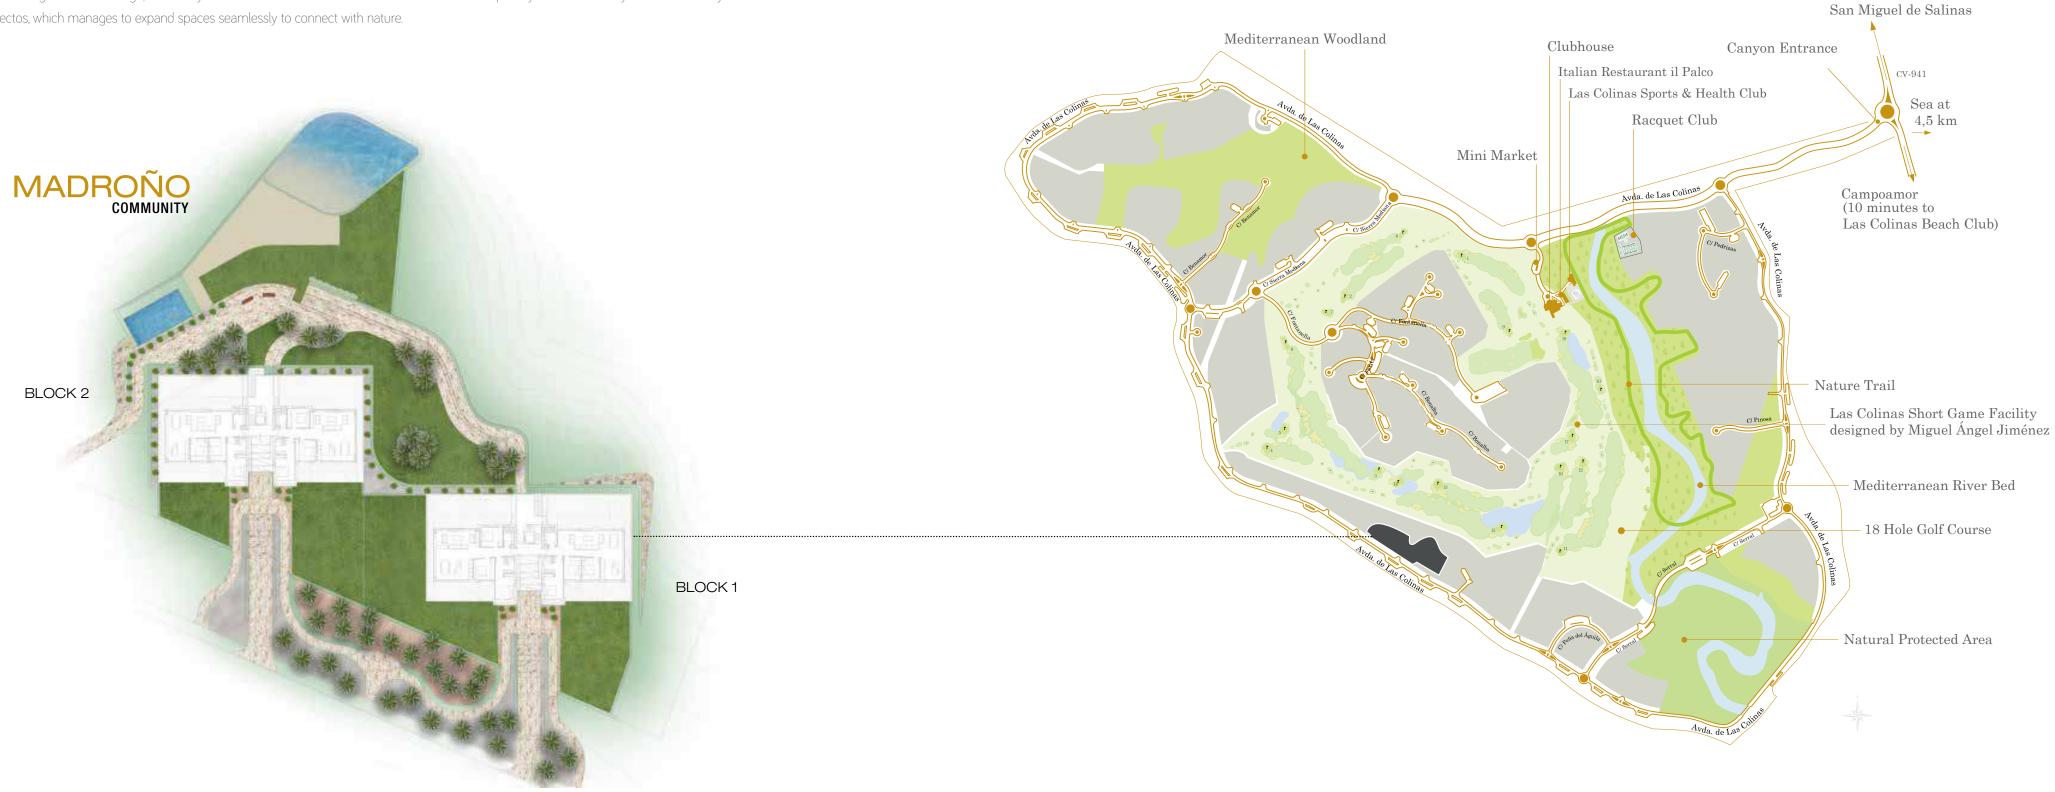

Madroño is an exclusive residential community boasting one of the most spectacular views of Las Colinas Golf & Country Club.

The design of the apartments in this community develops the innovative housing concept of sky villas. Maximising height and space, these large apartments provide an exclusive and different experience and unique way of living. The eight singular homes in each block combine the spaciousness and exclusiveness of a villa with the convenience of living in a luxury apartment.

The modern and elegant exterior design, created by the well-known international studio AECOM blends exquisitely with the carefully crafted interior by the international studio Clavel Arquitectos, which manages to expand spaces seamlessly to connect with nature.

### Masterplan

### Quality

The quality of the Apartments at the Madroño community is a distinguishing feature of its architecture and interior design. Special attention is paid to materials, textures and leveraging space and technology.

The ceramic flooring indoors extends outwards giving a feeling of continuity of space. The open kitchen living room combines functionality and aesthetics in a harmonious space.

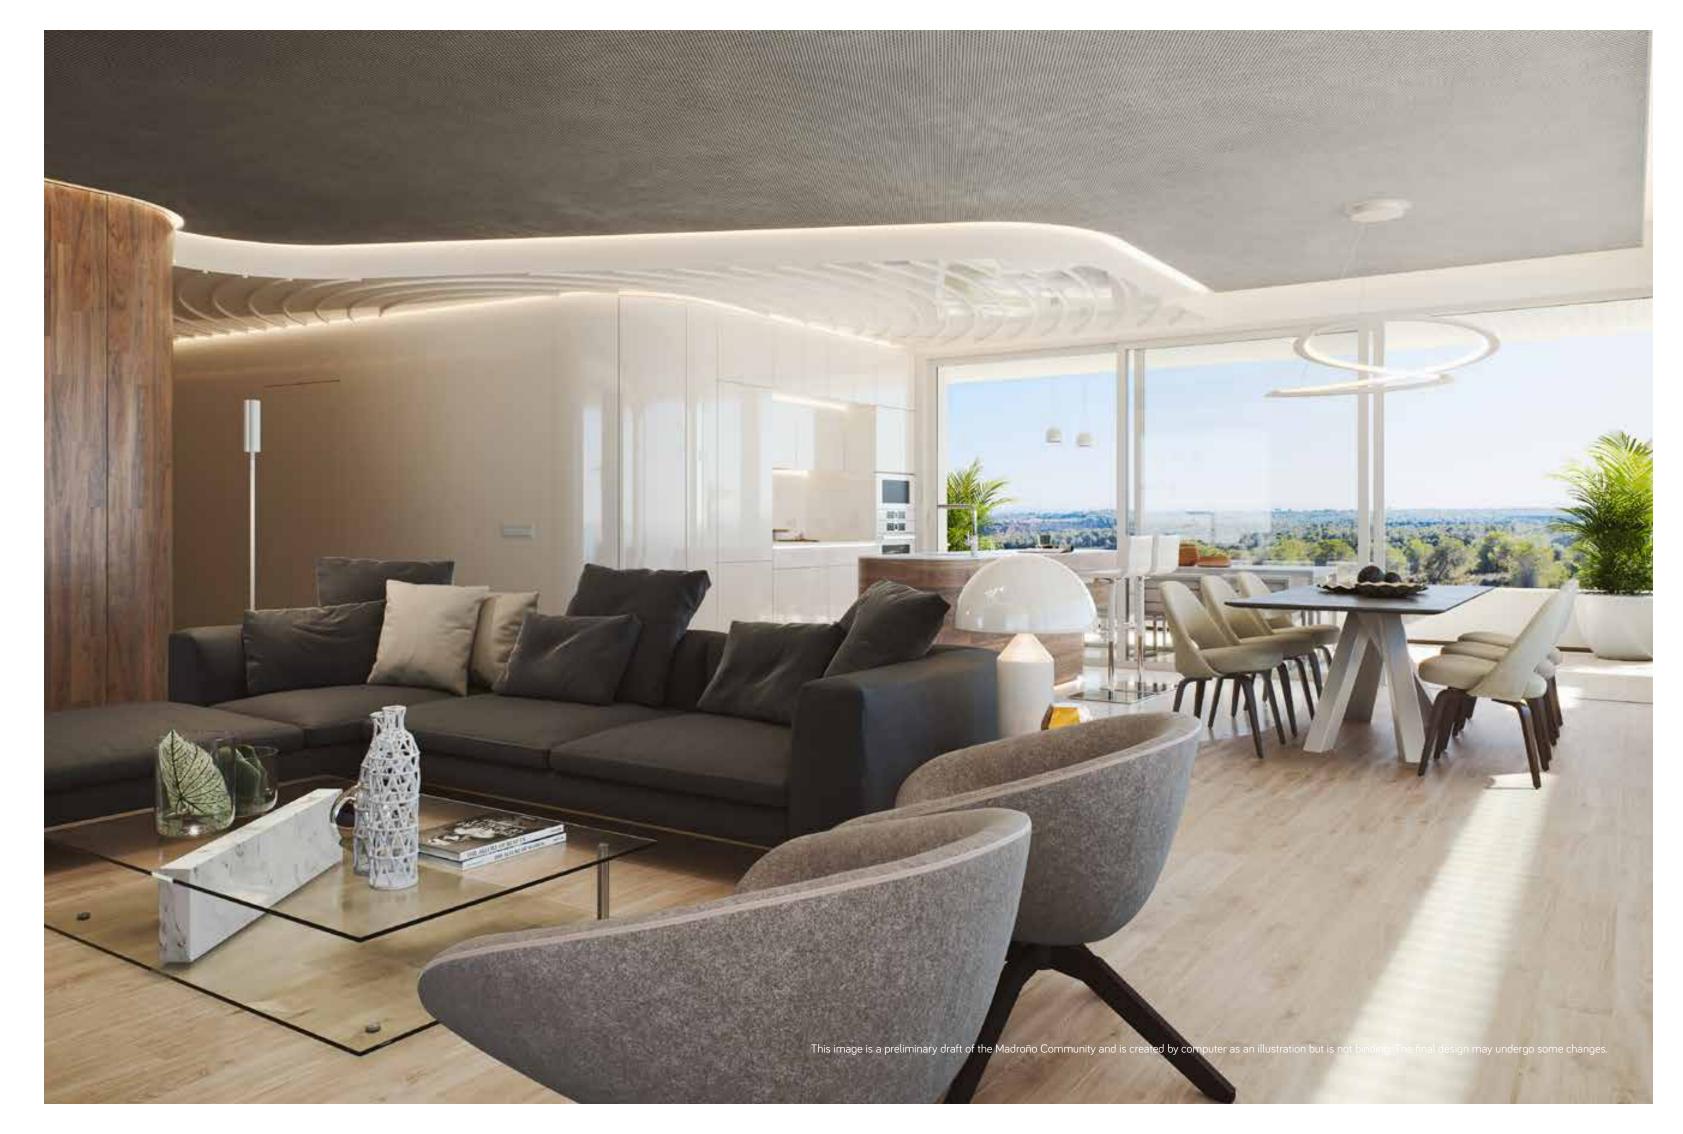

The finishes and installations use high quality materials, with special luxury details for owners to enjoy such as underfloor heating in bathrooms, Schüco metallic carpentry, built-in air-conditioning, smart home system and osmosis in kitchens...

All combined with landscaping that goes beyond the concept of garden, seeking to fuse the environment and home into one.

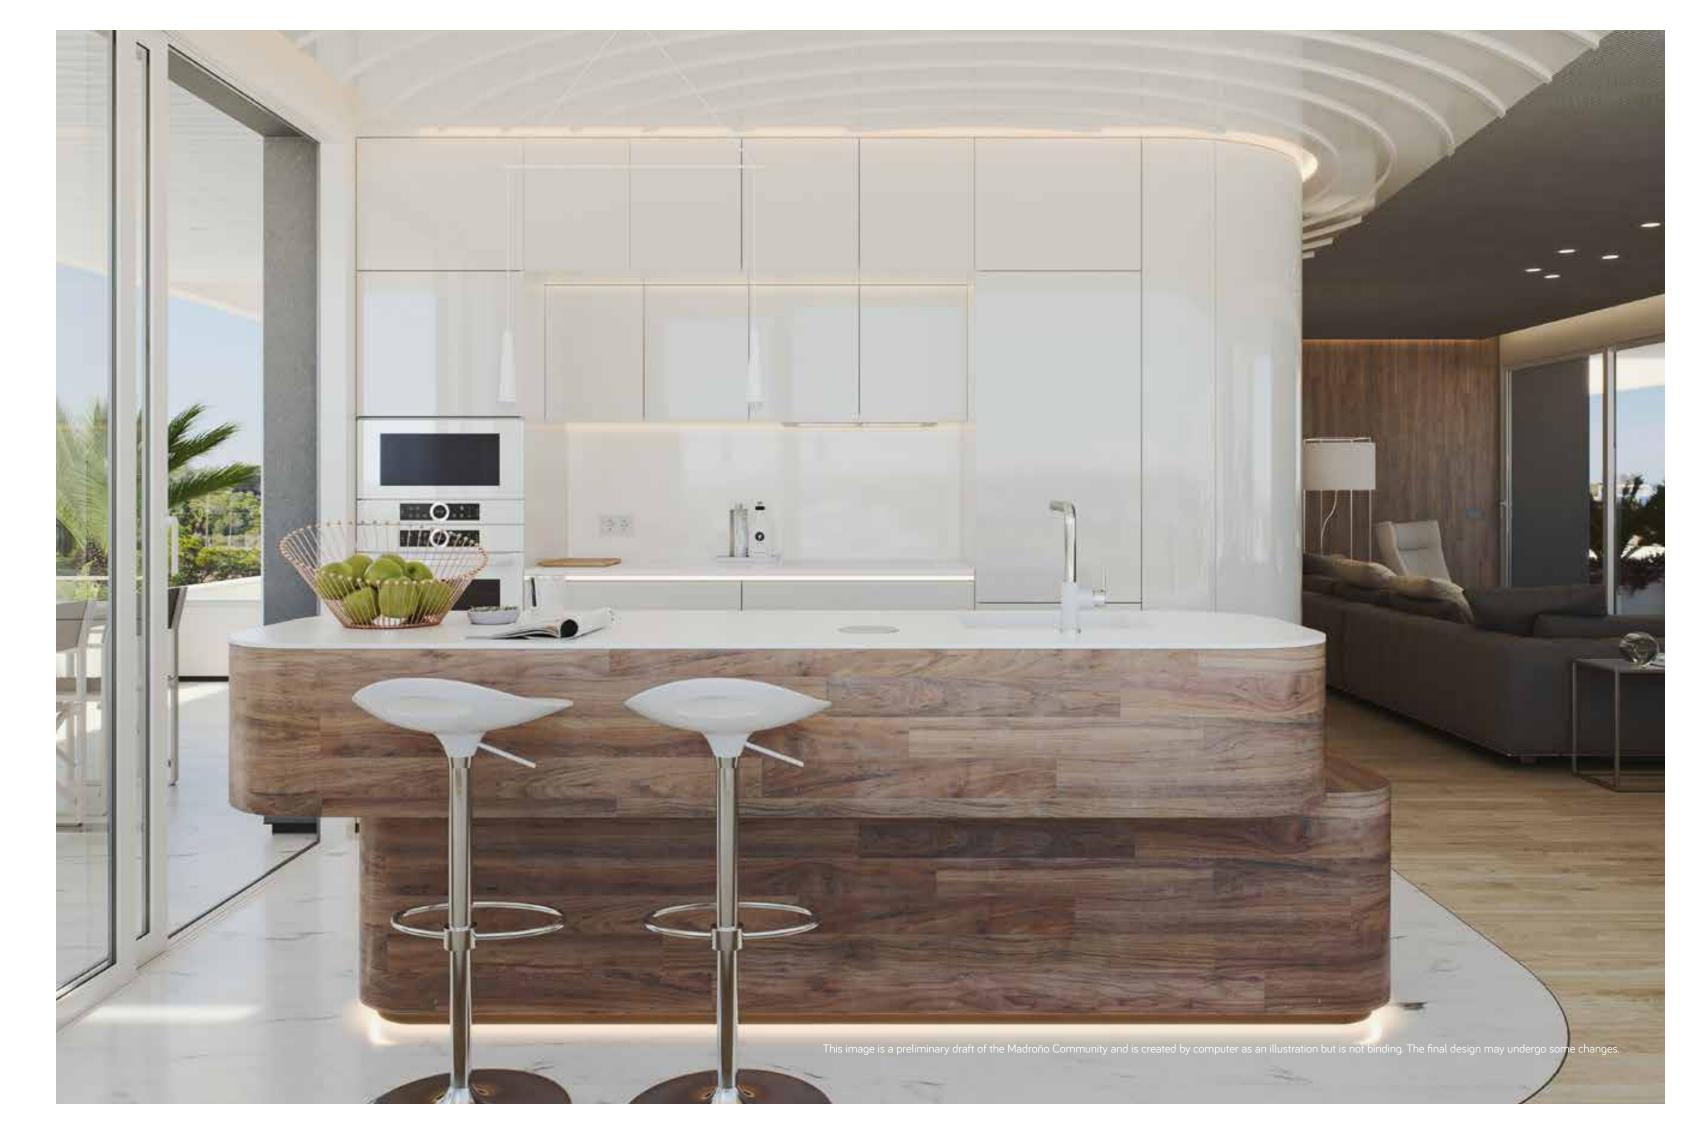

### Warm contemporary design

In the interior Clavel Arquitectos projects a new idea of luxury based on "new warm contemporary design" and focused on creating spaces with welcoming and comfortable shapes, covered in soft colours and native atmospheres that connect with the outdoors and envelop the rooms with a sense of harmony.

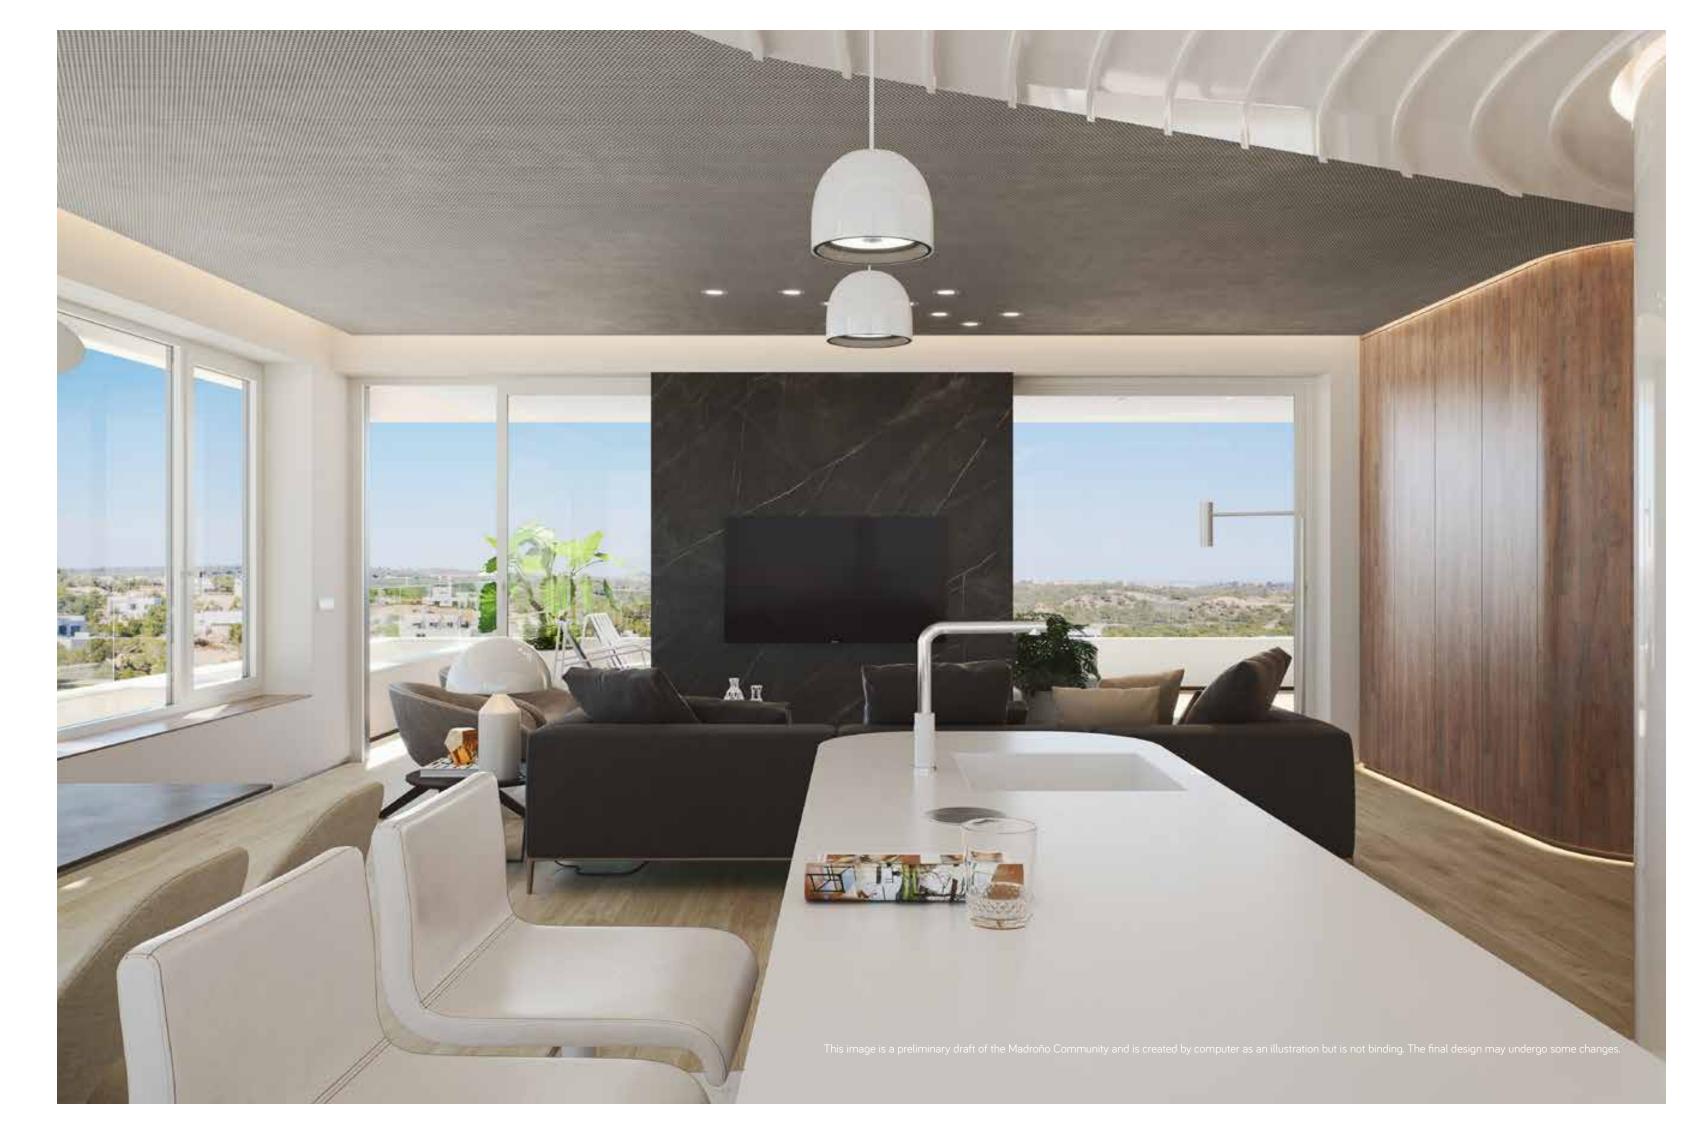

### Organic forms

Light, the sea and vegetation all flow together at Madroño. The apartments are inspired by the surroundings and the shapes within this environment. They are truly living spaces, modulated via organic forms, where construction is constantly striving to blend into the natural context.

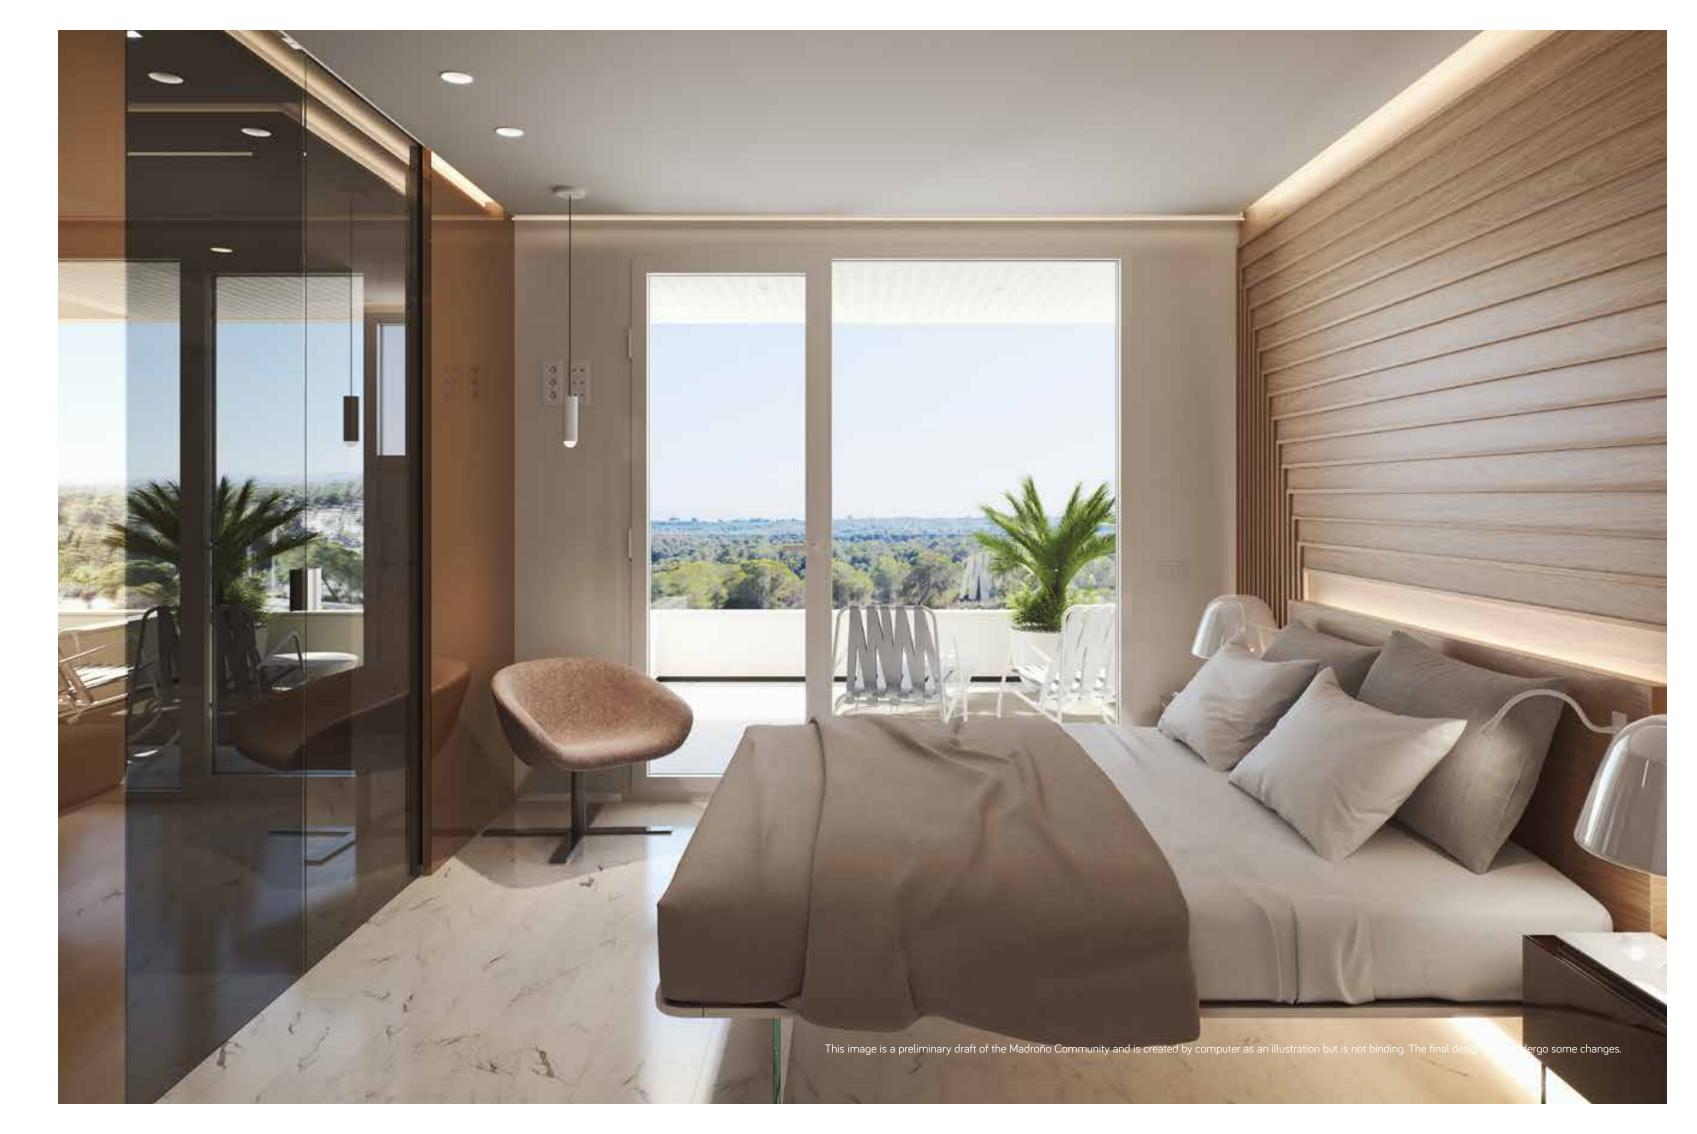

### Architecture of light

The homes at the Madroño Community are bathed in warm Mediterranean light. The architecture of light has been specially designed as a way of understanding the indoor and outdoor atmosphere as one. Gentle lines enter the interior like brushstrokes of energy, enhancing the potential of the relief and different forms, stimulating the senses and improving the life of the people who live there.

### Colour scheme

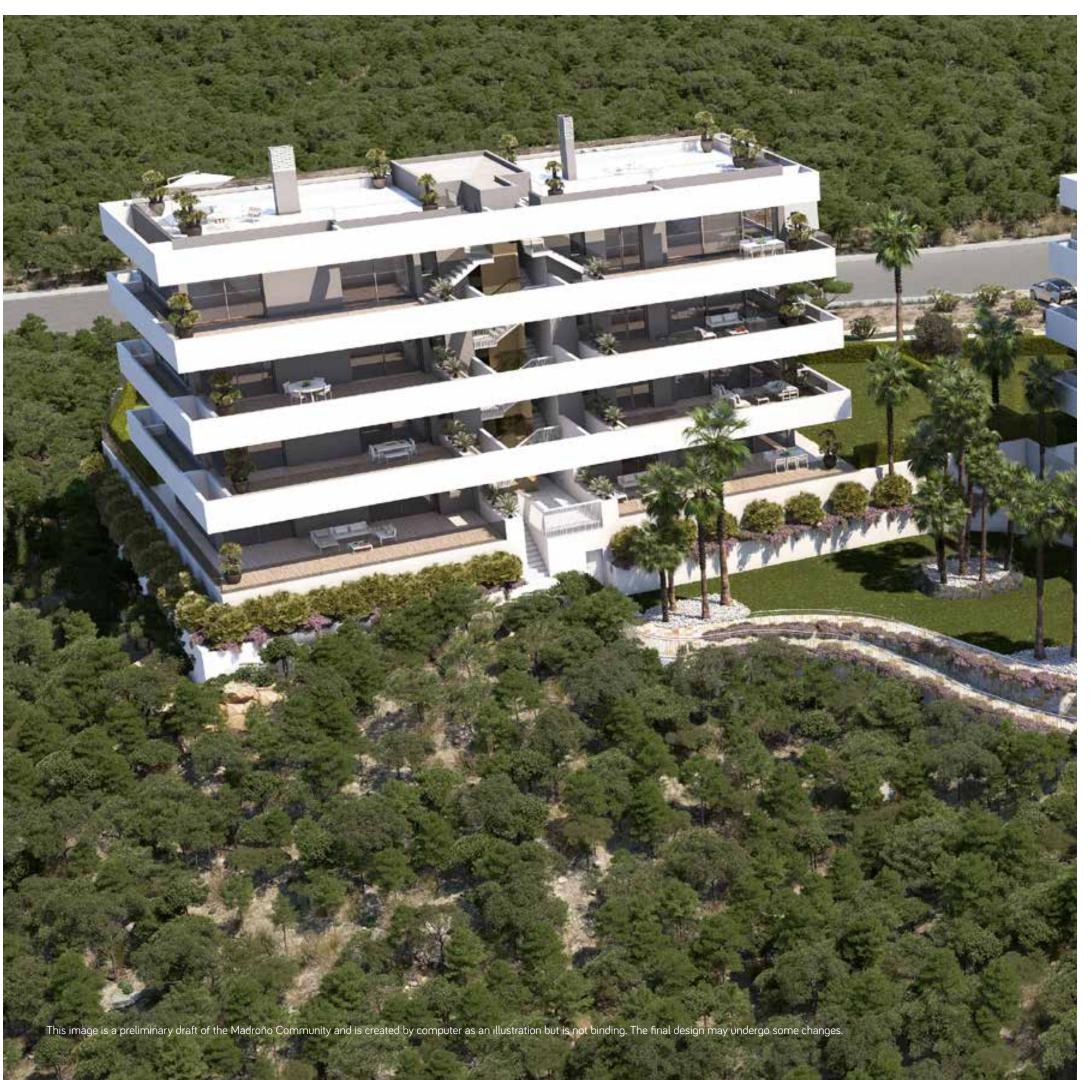

The concept of "new warm contemporary design" is also reflected in the earthy and serene colour palette selected to transmit the force of organic interior design and all the energy of the natural environment.

### Communal areas

The architectural quality of this exclusive community is also reflected in the communal areas. The infinity pool, designed with a singular beach effect, rises on the hill providing privileged views of the golf course. The elegant English garden patio, integrated with the gym and spa, creates a feeling of perfect harmony with nature for residents to enjoy.
